

The British Dam Society at the Institution of Civil Engineers

# 2011 BDS PRIZE YOUNG PERSONS COMPETITION

1st Prize: £800

2nd Prize: £400 / 3rd Prize: £200

The BDS Prize Competition for young members is held every two years and is open to BDS members under 35 years of age on the date of the competition. The next competition will take place on **21<sup>st</sup> November** 2011 at the Institution of Civil Engineers.

Participants are invited to submit papers on dam engineering relating to their experience in research, design, construction and supervision. It is not essential that papers describe original work but the authors should have had an involvement in the work. There must be only one author. Papers should be about 2500 words in length and be capable of presentation in about 15 minutes. The oral and visual presentation, as well as the content of papers, will be judged.

Candidates must submit synopses of their proposed papers to Tim Fuller (Secretary, BDS) by email ([Tim.Fuller@ice.org.uk](mailto:Tim.Fuller@ice.org.uk)) by the extended deadline of **30<sup>th</sup> August 2011**. Synopses should be about 250 words and should be accompanied by brief biographical details of the author. The authors of synopses assessed as being relevant to the competition will be invited to submit their completed papers by 31<sup>st</sup> October 2011.

**Sponsored by the British Dam Society & MWH**
